:

Wash the lettuce and vegetables thoroughly and cut them into bite-sized pieces. Make a dressing using the oil, vinegar and honey and season with salt and pepper. Puree raspberries may also be added to taste. Arrange the salad on a platter or dish, distribute the raspberries and drizzle the dressing over the salad. Croutons make a good accompaniment to this salad. To prepare, cut bread into fine slices or strips, fry in a pan with a little oil until golden brown, sprinkle with salt and serve with the salad.
